RULES OF BOTH HOUSES OF PARLIAMENT

RESPECTING THE

LIBRARY OF PARLIAMENT

A proper Catalogue of the Books belonging to the Library shall be kept by the Librarians in whom the custody and responsibility thereof shall be vested; and who shall be required to report to the Houses through Mr. Speaker, at the opening of each Session, the actual state of the Library.

No person shall be entitled to resort to the Library during the Session of Parliament except the Governor General, the members of the Privy Council, and of the Senate and House of Commons, and the Officers of both Houses, and such other persons as may receive a written order of admission from the Speaker of either House. Members may personally introduce strangers to the Library during the day-time, but not after the hour of seven o'clock, P.M.

During a Session of Parliament no books belonging to the Library shall be taken out of the building, except by the authority of the Speaker or upon receipts given by a member of either House.

During the recess of Parliament, the Library and Reading Room shall be open every day in each week, Sundays and Holidays excepted, from the hour of ten in the morning until three in the afternoon; and access to the Library shall be permitted to persons introduced by a member of the Legislature, or admitted at the discretion of the Librarians; subject to such regulations as may be deemed necessary for the security and preservation of the collection; but no one shall be allowed to take any book out of the Library except members of the Legislature, and such other as may be authorized by the Speaker of either House.

During the recess of Parliament, no member of either House not residing at the seat of Government shall have liberty to borrow or have in his possession at any one time more than three works, from the Library, or to retain the same for a longer period than one month.

No other person who may be privileged by card, by the Speaker of either House, to borrow books, from the Library, shall be allowed to have in his possession more than two books at any one time, or to retain the same longer than three weeks and all such persons shall return the books so taken when required by the Librarians.

No books of reference or books of special cost and value may be removed from the seat of Government under any circumstances.

At the first meeting of the Joint Library Committee at every Session of Parliament, the Librarians shall report a list of the books absent at the commencement of the Session, specifying the names of any persons who have retained the same in contravention of either of the foregoing Rules.

RÈGLEMENTS

CONCERNANT LA

BIBLIOTHÈQUE

Un catalogue des livres de la Bibliothèque est tenu par les Bibliothécaires qui en ont la garde et la responsabilité; ils doivent faire rapport à la Chambre, par l'entremise de M. l'Orateur, à l'ouverture de chaque Session, de l'état dans lequel se trouve la Bibliothèque.

Aucune personne ne peut avoir accès à la Bibliothèque, pendant les Sessions du Parlement, si ce n'est le Gouverneur général, les membres du Conseil privé, ceux du Sénat et de la Chambre des Communes, les Officiers des deux Chambres, et toute autre personne qui obtient un billet d'admission de l'Orateur de l'une ou de l'autre Chambre. Les membres peuvent en personne introduire des étrangers dans la Bibliothèque pendant le jour, mais non après sept heures P.M.

Pendant les Sessions du Parlement aucun livre de la Bibliothèque ne peut être emporté de l'édifice excepté sur l'autorisation de l'Orateur, ou lorsqu'un membre de l'une ou de l'autre Chambre en donne un reçu.

Pendant la vacance du Parlement la Bibliothèque et la Chambre de Lecture sont ouvertes tous les jours de chaque semaine, excepté les dimanches et jours de fête, depuis dix heures du matin jusqu'à trois heures de l'après-midi; et la Bibliothèque est ouverte aux personnes introduites par un membre de la Législature, ou admises à la discrétion des Bibliothécaires, sujettes aux règles qui sont jugées nécessaires pour la sûreté et la conservation des livres, mais il n'est permis à qui que ce soit, si ce n'est aux membres de la Législature et aux autres personnes ayant l'autorisation de l'Orateur de l'une ou de l'autre Chambre, d'emporter un livre hors de la Bibliothèque.

Durant les vacances du Parlement, aucun membre de l'une ou de l'autre Chambre ne résidant pas au siège du gouvernement, n'aura le droit d'emprunter ou de garder en sa possession plus de trois ouvrages à la fois; de plus, il ne devra pas les garder plus d'un mois en sa possession.

Aucune des personnes ayant le privilège—sur la foi d'une carte du président de l'une ou de l'autre Chambre,—d'emprunter des livres à la Bibliothèque, ne pourra avoir en sa possession plus de deux ouvrages à la fois ou les garder plus de trois semaines, et toutes ces personnes devront remettre les livres ainsi empruntés, lorsqu'elles en seront requises.

Aucun livre de référence, ouvrage de luxe et de prix ne pourra être emporté du siège du gouvernement pour aucune considération.

A chaque Session du Parlement, les Bibliothécaires devront, à la première assemblée du comité mixte de la Bibliothèque, soumettre une liste de tous les livres qui n'ont pas encore été remis au commencement de la Session, en spécifiant les noms des personnes qui auront gardé ces livres contrairement aux règles qui précèdent.

In addition to the foregoing rules, the Joint Library Committee have agreed to the following New Rules, to which the attention of persons frequenting the Library, or making use of any books belonging thereto, is specially requested:

1. It is strictly forbidden to make any mark, by pencil or otherwise, in any books belonging to the Library, or to turn down leaves therein, or otherwise deface the same.
2. No person (other than a member of Parliament) is permitted to have access to any of the Galleries surrounding the Library, without the express permission of the Librarian or unless accompanied by an officer of the Library.
3. No visitor shall be permitted to remain in the Library with his hat on; nor will smoking, or spitting on the floor or carpet be permitted in any of the Library apartments.
4. No audible conversation will be allowed in the reading room; nor shall any person be permitted to partake of refreshments therein; and no dogs shall be allowed in the Library.

Outre les règles qui précèdent, le Comité de la Bibliothèque a recommandé l'adoption des règles suivantes, dont toutes personnes fréquentant la Bibliothèque ou faisant usage des livres qui la composent sont priées de prendre connaissance:

1. Il est strictement défendu de faire aucune marque, au crayon ou autrement, dans un livre appartenant à la Bibliothèque, d'en plier les feuilles ou de le défigurer d'aucune autre manière.
2. Personne, à l'exception des membres du Parlement, ne pourra monter dans les galeries sans la permission expresse du Bibliothécaire, ou sans être accompagné de quelque employé de la Bibliothèque.
3. Aucun visiteur ne pourra garder son chapeau sur sa tête; personne ne pourra fumer, ni cracher sur le parquet ou le tapis d'aucune des chambres de la Bibliothèque.
4. On ne pourra converser à haute voix dans la chambre de lecture; on ne pourra non plus se permettre d'y manger. On ne laissera pas entrer de chiens dans la Bibliothèque.

REPORT
OF THE
JOINT LIBRARIANS OF PARLIAMENT

RAPPORT
DES
BIBLIOTHÉCAIRES CONJOINTS DU PARLEMENT

REPORT OF THE LIBRARIANS FOR 1920.

To the Honourable the Speaker of the Senate.

To the Honourable the Speaker of the House of Commons.

The Joint Librarians of Parliament have the honour to submit the following report for the year 1920, during only a portion of which they have had charge of the Library.

Mr. A. D. DeCelles, General Librarian, retired on the 1st June last, having served as Assistant Librarian for five years, and thirty-five years as General Librarian.

Mr. Martin J. Griffin, Parliamentary Librarian, retired on the 7th of July, having been thirty-five years as Parliamentary Librarian. The present Librarians desire to record their appreciation of the assistance rendered and the information given to them on assuming office by their predecessors who have so recently terminated their long and meritorious services.

In the last Annual Report, and from time to time previously, allusion has been made to the congested state of the Library and the necessity of providing ample and safe accommodation for the thousands of volumes which now overload the shelves of the Library proper, and fill the lower storerooms and vaults. The necessity still exists and the undersigned feel that neither the complete security of the Library nor its convenient arrangement in respect to the needs of users can be assured under present conditions.

Meanwhile, the Librarians desire to express their appreciation of the fact that two rooms at the north end of the ground floor of the new building have been assigned to the Library. One of these rooms has already been excellently fitted out by the Department of Public Works with steel shelving, and temporary relief will thus be afforded by this opportunity of conveniently placing many thousands of volumes.

A list of donations to the Library, and of Copyright Works will be submitted.

The Supplementary Catalogue embracing the books purchased since the last report is now in the hands of the printer and will shortly be submitted.

Amongst Governmental reports of special interest are the recent Official Despatches, with Maps, issued by the Government of Great Britain relating to the Jutland Battle. Several copies of these have been secured.

Amongst the items in the list of donations which may be specially noted are the papers received from the "League of Nations" comprising.

1. The Official Journal.
2. Verbatim Record of the Proceedings of the Assembly.
3. Verbatim Record of the Proceedings of Committees.
4. Documentary Correspondence submitted for consideration by the Assembly.
5. Treaty Series,—being Treaties and International engagements registered with the League.

RAPPORT DES BIBLIOTHÉCAIRES POUR 1920.

A l'honorable Président du Sénat.

A l'honorable Président de la Chambre des Communes.

Les bibliothécaires conjoints du Parlement ont l'honneur de vous soumettre le rapport suivant de l'exercice 1920, au cours duquel ils ont été assignés à leurs fonctions.

Monsieur Alfred D. DeCelles, bibliothécaire général, a pris sa retraite le premier juin dernier après avoir été attaché à la Bibliothèque durant quarante ans, dont cinq comme bibliothécaire adjoint, et trente-cinq comme bibliothécaire général.

Monsieur Martin J. Griffin, bibliothécaire parlementaire, a pris sa retraite le sept juillet dernier après trente-cinq années d'office.

Les Bibliothécaires conjoints se font un devoir de consigner ici à l'adresse de leurs prédécesseurs, qui viennent de terminer ainsi une longue carrière de services distingués, l'expression de leur reconnaissance pour l'aide et les informations précieuses qu'ils en ont reçus à leur entrée en office.

Dans le dernier rapport annuel des bibliothécaires, et de temps à autre auparavant, il a été fait allusion à l'état d'encombrement de la Bibliothèque, et à la nécessité de la placer dans des conditions de sécurité parfaite, et suffisant à recevoir et classer ses milliers de volumes dont le trop plein est déversé dans les voûtes et chambres du rez-de-chaussée. Cet état de choses se continue et les soussignés sentent vivement que la sécurité et le classement méthodique de leur précieux fonds de livres ne peuvent se réaliser dans les conditions présentes.

Les bibliothécaires expriment leur satisfaction de ce que l'on ait mis à leur disposition deux chambres dans la partie nord du rez-de-chaussée de la nouvelle construction du Parlement. Une de ces chambres a déjà été pourvue par le Ministère des Travaux publics de rayons en acier, et un soulagement provisoire proportionnel résultera de l'installation, à cet endroit, de plusieurs milliers de volumes.

La liste des dons faits à la Bibliothèque, et celle des droits d'auteur enregistrés durant l'année, vous seront transmises avec le présent rapport.

Le catalogue supplémentaire contenant l'énumération des livres achetés au cours de l'exercice est entre les mains des imprimeurs et vous sera soumis sans retard.

Parmi les publications gouvernementales d'intérêt spécial, les soussignés font mention des Dépêches officielles du gouvernement britannique, avec cartes, au sujet de la bataille du Jutland. Plusieurs copies de ces dépêches ont été obtenues.

Il convient aussi de noter les documents contenant les délibérations de la Ligue des Nations, et tout spécialement:

1. Le Journal Officiel.
2. Les Comptes rendus provisoires des procédures de l'Assemblée.
3. Les Procès verbaux des Commissions.
4. Une série des documents soumis à la considération de l'Assemblée.
5. Le Recueil des Traités et des Engagements Internationaux.

Also a set of Hansard of the British House of Commons owned by the Late Right Honourable Joseph Chamberlain, and covering the period of his Parliamentary career. These books were kindly given to the Canadian Government by the Right Honourable Austen Chamberlain, Chancellor of the Exchequer.

Both in Great Britain and on this continent, the increase in the price of raw material and in costs of labour compared to pre-war days have made a very marked increase in the price of books and periodicals, and added heavily to the cost of binding; and it naturally follows that with a vote barely larger than that of 1914, the range of Library purchases in 1920 was somewhat restricted.

It has been the aim of the Librarians, however, to secure and make available the work of the leading authorities on Constitutional subjects, on Sociology, Economics, History and the various questions which are specially related to the work of Parliament.

In respect to the borrowing and returning of Library books the rules laid down by Parliament are adequate and clear, but not infrequently they are more honoured in the breach than the observance. It is hardly necessary to point out that compliance with the rules is a matter of obvious justice to the many users of the Library and is to the best interests of the Library itself.

All of which is respectfully submitted.

J. DE L. TACHÉ,
General Librarian.

M. BURRELL,
Parliamentary Librarian.

LIBRARY OF PARLIAMENT,
Ottawa, February 14, 1921.

La Bibliothèque a aussi reçu la collection du Très Honorable Joseph Chamberlain des Hansards de la Chambre des Communes d'Angleterre couvrant la période de sa carrière parlementaire. Ces livres ont été gracieusement offerts au gouvernement canadien par le Très Honorable Austen Chamberlain, Chancelier de l'Echiquier.

Dans la Grande-Bretagne comme sur le continent, l'augmentation des prix des matériaux et de la main-d'œuvre, comparée à ceux d'avant-guerre, ont causé une avance notable dans les prix des périodiques, des livres et de la reliure; il s'en suit qu'avec des subventions restées aux chiffres de 1914, les achats de 1920 ont forcément diminué.

Les bibliothécaires visent à tenir la Bibliothèque au courant des travaux qui font autorité sur les sujets de droit et de procédure constitutionnels, de sociologie, d'économie politique, d'histoire et autres se rapportant de manière ou d'autre aux travaux du Parlement.

Les règlements établis par le Parlement au sujet des emprunts et de la remise des livres sont clairs et suffisants, mais trop fréquemment on ne se préoccupe pas plus de les enfreindre que de les observer. Il est à peine nécessaire de faire remarquer que ces infractions constituent un manque de justice vis-à-vis des lecteurs habituels, et un empêchement considérable aux services que la Bibliothèque est appelée à rendre.

Respectueusement soumis.

Bibliothécaire général.
